# COLUMBA COLLEGE

COUNTY WEASTMEATH

# HISTORY

---

Columba College is located in Killucan, Co. Westmeath and opened its doors in 1948. Columba College sets out to provide a learning environment that allows each student to achieve and reach their full potential. The College enables the students to develop into responsible caring adults who can go on to fulfil their roles in the community and society.

Columba College is a medium size school and pride itself on their unique ability to get to know all of our pupils personally. All teachers are a highly qualified, dynamic and a committed team who inspire the pupils to succeed to the highest possible level academically and personally. The school strives to help pupils do their very best academically and to develop in them skills that will benefit them in whatever profession they chose.

# ACADEMIC PROGRAMME

---

## JUNIOR CYCLE

Subjects:

Irish, English, Mathematics, Spanish, French, History, Religion, Geography, Science, Business Studies, Home Economics, Material Technology (Wood & Metal), Technical Graphics, Physical Education, Art, CSPE

## TRANSITION YEAR

Transition Year is a one-year school-based programme, designed to act as a bridge between Junior and Senior Cycle. The Transition Year programme is designed to facilitate the smooth transition from the dependent learning of the Junior Cycle to the more independent self-directed learning of the Senior Cycle. The programme offers students the space to mature and promotes increased social awareness.

## SENIOR CYCLE

Subjects:

Irish, English, French, Mathematics, History, Religious Education, Geography, Agricultural Science, Biology, Accounting, Home Economics, Construction Science, Engineering, Design and Communications Graphics, Art, Career Guidance & Spanish.
